

XIII International Workshop on Urethral Reconstruction

Department of Urology Hospital del Trabajador ACHS, Santiago, Chile.
Sanatorio Güemes, Buenos Aires, Argentina.
Tuesday 18 and Wednesday 19 October, 2016.

Dear Friends:

Since 2004 the Urology Department of Hospital del Trabajador ACHS conducts an annual live workshop on urethral reconstruction with the participation of reputed international experts.

This year we decided to do this in Buenos Aires in coincidence with the annual meeting of the SIU, in order to maximize the benefit of participating in both events. With this objective we have established a 50% discount for those also registered for the SIU Congress.

THE PROGRAM INCLUDES LIVE URETHRAL SURGERY, LECTURES, DISCUSSION OF CLINICAL CASES AND VIDEOS.
