UPDATE ON THE MANAGEMENT OF

Genitourinary Malignancies

This conference has continually provided the healthcare community an opportunity to learn of the latest achievements in urologic oncology at MD Anderson.

The 2018 conference will include presentations on kidney, prostate, bladder, upper tract, penile and testis cancers. As has been the tradition, the conference will include the Andrew C. von Eschenbach Lecture Series honoring a physician-scientist exemplifying visionary leadership in Oncology and the David A. Swanson Distinguished Alumni Lectures Series honoring a former urologic oncology fellow that exemplifies outstanding achievement in their careers as urologic oncologists.
