

# The SIU invites our Exhibitor Partners to help welcome SIU 2020 congress attendees October 7-11 in Montreal

The SIU Congress is a uniquely global event, bringing together urologists, residents, nurses and other health professionals both on-site and online in a spirit of cooperation and collegiality.

We invite you to join us to showcase your latest technologies, products, and services as we assemble in the city that the SIU Central Office has called home for over 20 years - Montreal: a North American metropolis with European flair.

## About Montreal
