

Ethical Review Agreement

IMPORTANT: All principal investigators must sign this document prior to starting the study.

Ethical Review Agreement for uCARE Study # uCARE 2022-01

Study Title: A Global Registry of Treatments and Outcomes for Men with Symptomatic BPH

This Agreement is made between _____ (“Party A”) and the Société Internationale d’Urologie (“Party B”), each party to be referred to herein as a “Party” and collectively as the “Parties.”

WHEREAS, Party A wishes to engage in a research project with Party B and both parties wish to ensure that the research project is in compliance with the laws and regulations that govern such research;

NOW, THEREFORE, the Parties agree as follows:

1. Party A represents and warrants that it has obtained the necessary Institutional Review Board (“IRB”) approval to participate in the research project.
2. Party A agrees to abide by all applicable laws, regulations, and IRB policies in the conduct of the research project.
3. Party B agrees to assist Party A in the research project to the best of its ability.
4. This Agreement shall be governed by the laws of _____.
